ABOUT THE COLLEGE & DEPARTMENT

Sri Sairam Engineering College (SEC) is an ISO9001:2015 certified and MHRD NIRF ranked, Accredited by NBA and NAAC“A+” institution. The College was established in 1995 by MJF. Ln. Leo Muthu, Chairman of Sapthagiri Educational trust. The College is well equipped with laboratories imparting quality technical education to Engineers with the spirit of service to the society. The college is located at Sai Leo Nagar, a sprawling campus of 200 acres, providing a perfect learning environment. The college offers 9 U.G degree courses in major Engineering disciplines and 7 P.G degree courses- 6 courses in M.E and MBA.

The Department of Electronics & Instrumentation Engineering are equipped with the state-of-the-art facilities and have well equipped laboratories in the related fields. The Departments consist of qualified, dynamic and committed faculty members. The students of EIE department have innumerable achievements namely rankings from University, Gold medals and national award-winning projects.

ABOUT INSTRUMENT SOCIETY OF INDIA

ISOI was established in the year 1970, with its headquarters at the Indian Institute of Science, Bengaluru. It strives to act as a link between academic institutions and the instrumentation industry, by organizing several programs. It also conducts programs for students and working professionals in the form of short-term courses, symposia and topical reviews. The objectives of the Society are the following:

1. To provide a forum for pooling the knowledge and experience of individuals, participants from

scientific institutions and industrial organizations interested in promoting development of instruments and instrumentation systems.

2. To act as an exchange bureau for dissemination of technical information by way of periodic and special publications, appraising the technical and scientific personnel in the industries as well as in research institutions to satisfy the requirements in the field of instrumentation.
3. To organize liaison between interested entrepreneurs with technical problems in their instrumentation activities and the experts who offer to act as consultants.
4. To engage in such activities and thus contribute towards promoting instrumentation activities.

ABOUT THE CREOISTA'19

Robot Fest is an annual event of Dept. of Electronics and Instrumentation Engineering of Sri Sairam Engineering College for anyone interested in the creative use of technology. We heartily welcome all roboticists, hobbyists and robotic engineers who have the unquenchable thirst to develop and create new, previously unseen forms from lifeless electronics, fabrics and mechanical parts. Join the fun and excitement with hands-on exhibits, and workshops.

LIST OF EVENTS

- ROBOWAR
- LINE FOLLOWER
